

Here you will find a Chassidic teaching from the Komarna dynasty. Founded by Rabbi Aleksander Sender Safrin (1770 - 1818), Komarna Chassidut is heavily based on the Kabbalah of the Zohar and Arizal. As far as I recall, this teaching was received from Rabbi Yaakov Moshe Safrin of Komarno (1861 - 1929), a descendant of the founder. It was then taught to Rabbi Shapira zt'l, who then transmitted the teaching to me.
